Welcome to the Chidon

Dear Chayol,

Welcome to the international Chidon Sefer Hamitzvos 5778!

The Chidon is a rewarding learning program, built on self-motivation. Earning a spot on the Shabbaton and becoming a contestant, or even a representative for the Chidon stage event, takes hard work, diligence, and an attitude of **יִגְעִתִּי וּמִצָּאתִי תִאֲמִין**—I will try hard and I will succeed!

The fact that you have signed up for this journey shows how much you care for Hashem's Torah and how determined you are to gain a better understanding of His mitzvos. The tremendous amount of knowledge you will acquire through this program will be a lifelong reward that no one can ever take away.

We are proud of your commitment and wish you much hatzlocha in this endeavor!

Tzivos Hashem Headquarters

The History of the Chidon

LIMUD HARAMBAM

In תשד"מ (1984), the Rebbe instituted the takona of limud harambam—that every man, woman, and child learn Rambam daily. Three cycles were established: learn three perakim a day over the course of one year, learn one perek a day over the course of three years, or learn the mitzvos in Sefer Hamitzvos, which correspond to the three-perakim cycle. Through these cycles, a person would learn all 613 mitzvos—כל התורה כולה.

INTERNATIONAL CHIDON

In תשנ"ה (1995), a group of principals joined with Tzivos Hashem to start the Chidon. The goal of the Chidon is to give every chayol the tools and motivation they need to fulfill the Rebbe's takona, by encouraging them to learn Sefer Hamitzvos in depth.

As the Chidon expanded and more schools joined, the program began following the Living Lessons Yahadus curriculum, sponsored in loving memory of Mrs. Sara Rohr, aleha hashalom. The curriculum divides the 613 mitzvos into five books, with children in grades fourth through eighth learning one book per year.

Below is a chart that outlines which mitzvos each grade will be learning over the year, and which Yahadus book you will be using to study. At the end of five years, you will have covered all 613 mitzvos in depth.

CHIDON
OVERVIEW

Qualifying for Chidon

To enter the Chidon, there are three qualifying tests. If you pass all three tests, you may qualify—depending on your test scores and your school’s attendance policy—to join the Crown Heights Shabbaton, represent your school on the Chidon stage, and compete for the gold, silver, and bronze trophies in the Trophy Final.

THE TESTS

The chart below outlines the testing schedule, and which units you’ll need to learn for each test.

Test #	Date	7th Grade
Test #1	Tuesday, Chof Hey Cheshvon (November 14)	Units 157-173
Test #2	Tuesday, Ches Teves (December 26)	Units 174-192
Test #3	Monday, Chof Shvat (February 5)	Units 193-208

There are two parts to each of the three qualifying tests. Parts one and two are described below, so you’ll know what kinds of questions to expect, come testing day.

Part one

- This part is a thorough, straightforward exam on the information you are responsible for knowing. It tests you on how well you remember the information you’ve learned.
- If you score at least a 70% average on part one of all three tests, you may be eligible to participate in the Shabbaton, depending on your school’s attendance policy. You do not need to pass part two to be eligible for the Shabbaton.
- During the Chidon Shabbaton, all qualifying chayolim will take the Chidon final (this too is a straightforward, yet thorough, exam on the entire Yahadus book). Chayolim who score at least 70% on the Chidon final will be awarded the Chidon plaque. Chayolim who score at least 85% on the Chidon final will be awarded the Chidon plaque and the Chidon medal.

Part two

- This part tests you on how well you know and understand the information. Some questions will “scramble” different details, challenging you to remember them correctly, even when they’re in a different context. You will also be challenged to connect ideas from different units, or sections within the same unit, and apply your understanding of concepts, by answering questions about new that aren’t directly discussed in the book. Make sure to study carefully.
- This part asks challenging questions, formatted in the same style as the questions in the Chidon final.
- If you score at least a 70% average on part one of all three tests, and at least a 70% average on part two of all three tests, a new average will be calculated by combining all your scores from both parts of all three tests (six scores in total).

This new average will become your new score. If in this new score, you score the highest in your grade, at your school, you may be eligible to represent your school on stage at the Chidon event, and compete for the gold, silver, and bronze trophies by taking the “Trophy Final”—depending on your school’s attendance policy.

The “Trophy Final” is a very challenging test on the whole Yahadus book, taken by all school representatives, during the Chidon Shabbaton.

The climax of the Chidon is when the Trophy Final winners are announced. The chayolim who earn the highest marks within each grade on the “Trophy Final” are awarded the Chidon trophies. First, second, and third place winners will receive beautiful gold, silver, and bronze trophies, respectively.

As with the Shabbaton, your school is responsible for selecting the representative for each grade (the chayol who has the highest score in his or her grade).

Tiebreakers: Included on your third test will be “tiebreaker” questions. These questions are only marked in the case of a tie. In the case that two chayolim in your grade tie as the highest-scoring in your school, these questions will be marked and taken into account, to determine the winner.

Chidon Shabbaton

The Chidon Shabbaton takes place in Crown Heights, beginning on a Thursday. The Shabbaton is an incredible four-day program, packed with amazing trips, delicious meals, fun activities, and exciting competitions. Chayolim go to the Ohel, daven in 770, and participate in inspiring farbrengens. The Shabbaton culminates in the grand Chidon event on Sunday.

DATES:

- Girls’ Shabbaton: Thursday, Chof Alef Adar (March 8) – Sunday, Chof Daled Adar (March 11)
- Boys’ Shabbaton: Thursday, Chof Ches Adar (March 15) – Sunday, Beis Nissan (March 18)

REGISTRATION DEADLINE

Shabbaton Registration opens on Tuesday, Chof Ches Shvat (February 13). Registration and payment information must be submitted before Sunday, Gimmel Adar (February 18) at 11:59 p.m. We apologize in advance that there will be no exceptions.

As previously mentioned, you do not need to pass part two of the tests to be eligible for the Shabbaton. However, your school will make the final decision about the number of children that are going to the Chidon Shabbaton.

THE ALEF-BEIS OF CHIDON

Did you ever stop to think about how studying for the Chidon is like learning the Alef-Beis?

ALEF-BEIS

Learn each letter on its own.

Circle every zayin.

CHIDON TEST QUESTIONS

Remember mitzva basics.

Is the Beis Din allowed to punish on Shabbos?

Emphasize letters that look the same.

Is this a reish or a daled?

Analyze similarities in mitzvos.

Which of the following materials are shaatnez?

- Wool and cotton
- Camel's wool and linen

Compare different letters.

What is the difference between a vov and a zayin?

Compare and contrast mitzvos.

What is the difference between kilayim of the ground and of trees?

Understand the different pieces that make up words.

The word "vayomer" is made from three parts: "and," "he," and "said."

Apply different information to new concepts.

Correct or incorrect: the afternoon korban tamid was usually offered on the Mizbeach nine and a half hours after sunrise.

TO FIND THE ANSWER, APPLY TWO PIECES OF INFO:

1. The afternoon korban tamid was usually shechted eight and a half hours into the day.
2. Both temidin were offered one hour after being shechted.

What Do I Need to Know?

You Are Responsible to Know:	You Are Not Responsible to Know:
- For each mitzva (see Figure 1 below): - Mitzva names - Translation of mitzva name—the words directly beneath the name in Hebrew - Recognizing the makor (source) - Synopsis of the mitzva—the words directly above the icons - To whom it applies - Where it applies - When it applies - Punishments - Details - Relevant terms in Hebrew - Changes to the book, inside this Chidon study guide	- Unit cover pages - Introduction to the mitzvos (the words above the mitzva boxes) - Mitzva numbers - Mitzva messages - Selected halachos - Extend your knowledge - All sidebars, including: - Did you know? - Stories - Biographies - Pearls of wisdom - Our sages say - History - Discovery - What else comes from this? - Live the mitzva

CHIDON
OVERVIEW

MITZVA NAMES

You are required to be familiar with the names of the mitzvot in Hebrew. You do not need to know the names of mitzvot by heart, but you do need to be able to recognize them.

All tests and quizzes will refer to the names of the mitzvot in Hebrew. Mitzva names will not be translated.

TRANSLATION OF MITZVA NAMES

You are required to know the English translation of the mitzva names—the words directly beneath the name in Hebrew.

SOURCE

You are required to be familiar with the pesukim in Hebrew. You are not required to know the pesukim by heart, but you have to be able to recognize them and identify which mitzvot come from them. There will be questions on the test that will refer to a mitzva using its posuk instead of its name, as well as questions that will require you to correctly match the posuk of a mitzvah with its name (example: What mitzva do we learn from the source “שָׁנִים לְיוֹם עוֹלָה תִּמְיֹד”?).

As you go through your book, you’ll notice some words of each posuk are bold, while others are not. You are only responsible for knowing the words that are in bold type.

Make sure you know which posuk, or part of the posuk, is the source for which mitzva. This can be challenging, because one posuk may be the source of many mitzvot. (See the Yahadus Book Changes in this guide, where the correct posuk is filled in for mitzvot that the book isn’t clear about.)

SYNOPSIS OF THE MITZVA

You are required to know the synopsis of the mitzva—the words directly above the icons.

ICONS

To whom it applies; where it applies; when it applies; punishments

You are required to know the icons for each mitzva. The icons are the circles at the bottom or the side of the mitzva boxes, with the information regarding whom, where, and when the mitzva applies, as well as the applicable punishment for transgressing the mitzva.

You need to be very familiar with the icons of each mitzva on its own, as there will be many questions asking about these details. You need to train yourself to identify each mitzva individually, and not just as part of a unit.

DETAILS

You are required to know all the details of each unit, except for those sections listed in the Book Changes section of this study guide.

Pay special attention to which details apply to which mitzva, because mitzvot are grouped together in units, and it can be hard to identify which details are for which mitzva. (As you’re studying, try asking yourself questions about the “who, what, when, where, and how?”)

SELECTED HALACHOS; WHAT ELSE COMES FROM THIS MITZVA?

Even though you are not responsible for these sections, it is strongly recommended that you learn them, as they contain many practical halachos that give a better understanding of the mitzva.

RELEVANT TERMS

You are required to know all Hebrew terms and concepts that appear in the sections of the book that you are responsible for. To help with translations, Chidon Headquarters has put together a glossary of Hebrew terms for each book, found in this Chidon Learning Guide. However, the glossary does not list all the words that the you are responsible for knowing. It is your responsibility to make sure you know and understand all Hebrew terms and concepts—including those not listed in the glossary.

THIS CHIDON LEARNING GUIDE

You are required to read this learning guide. You are responsible to know all the information outlined in the guide.

Changes have been made to the Yahadus books since they were printed, and you are responsible for knowing all of the changes listed in this learning guide.

The section with the book changes also lists specific parts of the book that you are not responsible for knowing, and includes replacements for some sections of the books—which the you must know. This guide also contains many other important resources, such as glossaries of key terms, spreadsheets for you to fill out the fundamentals of each mitzva, and practice questions (complete with answer keys).

MYSHLIACH CLASSES

Every year, MyShliach offers online classes covering Chidon material, for shluchim's children in remote areas. These kids don't have access to a Lubavitch education, and these online classes make it possible for them to join in the International Chidon Sefer Hamitzvos competition. This year, MyShliach is happy to open these classes to any participating chayol.

Registration

To register for the online classes, please ask your parents to visit MyShliach.com/ChidonClasses. Once your parents have entered your information, scheduling and teacher information will be made available to your parents.

Schedule

The classes take place weekly at 8:00-9:00pm, accommodating time zones across the USA. Each grade's class takes place on a different day. There are separate classes offered for boys and girls.

Material

Two units are covered during each class. Every class is recorded. A spreadsheet of links to the recordings is made available upon registration. The classes are scheduled to ensure you finish the material required before the date of each test.

CHIDON

Studying

The class is intended to teach you the essence of each unit. In order for you to master the material, you also need to review units on your own during the week, as well as study additional details that may have been missed out during the class.

PREPARING FOR PART TWO

The questions that will be asked on part two of the qualifying tests, and on the Trophy Final, are “thinking” questions, and require you to analyze and apply the information you’ve learned to new situations that aren’t directly discussed in the book. This may be different from what you are used to, so it is important that you prepare properly.

Many questions will involve information about multiple mitzvos or even multiple units. To prepare, it is strongly recommended that you train yourself to see similarities in mitzvos and halachos, and make lists grouping similar mitzvos or halachos together (for example: which mitzvos have the punishment of malkus, apply only in Eretz Yisroel, are about avoda zora, etc.). Also, try to find situations where a person fulfills (or transgresses) more than one mitzva.

In general, this includes three types of questions.

1. Questions on multiple mitzvos or halachos

Examples:

- How many mitzvos has one fulfilled (or transgressed) for doing such-and-such an action?
- For which of the following would one not receive malkus?

2. Multiple-choice questions

All of the possible answers listed are from different units throughout the Yahadus book. You’ll have to think about each answer and decide which one applies to the question being asked. Try it out, and see if you can get the right answer!

Below the question, you’ll see a list of units that explains where each possible answer came from. Use this as a tool when you’re checking your answer.

Examples:

One who sells weapons to a known robber is עובר on:

1. שלא לגזול
2. שלא להרוג נפש
3. שלא להקשיל תם בדרך
4. שלא ליקח כופר להציל מקמת הרוצח

In this case, option A is from unit 198, option B is from unit 202, option C is from unit 207, and option D is from unit 202.

3. Questions that require you to apply multiple halachos you’ve learned, to determine the correct answer.

Example:

- Correct or Incorrect: The קרבן תמיד של בין הערבים was usually offered on the מזבח at nine-and-a-half hours past sunrise.

In this case you have to combine two separate pieces of information to come to the answer.

1. The first is that the קרבן תמיד של בין הערבים was usually shechted at eight-and-a-half hours past sunrise.
2. The second is that both the morning and afternoon תמידין were offered on the מזבח an hour after being shechted.

By combining these two pieces of information, it becomes clear that the קרבן תמיד של בין הערבים was usually offered on the מזבח at nine-and-a-half hours past sunrise.

Wisdom from Mechanchim

Set aside a designated time and place to review every day. When units are complicated, ask an adult to help explain them to you. Finally, remind yourself how proud you're making the Rebbe.

Mrs. Chana Esther Altein, parent
Beis Chaya Mushka, Toronto

Record yourself retelling the information so that when you need a break from reading, you can listen instead. And it's best to let some time pass before testing yourself. That way you can see how much information you truly remember.

Beis Rivkah,

The purpose of the Chidon is to fulfill the Rebbe's takana of learning Rambam. Ultimately, the information that you learn is more valuable than a medal.

Never give up! There have been boys in my class who felt like they didn't want to continue after they saw their first test marks. The book only speaks about a korban that became passul after it was shechted, as that is when most pessulim occur.

The entire Yom Kippur avodah was done by the Kohen Gadol

SEGMENT #1

- 1) The Kohen Gadol toveled in the mikvah.
- 2) He put on the golden garments.
- 3) He washed his hands and feet from a golden pitcher.
- 4) He performed the daily morning avodah, which was usually performed by regular Kohanim. This included:
 - Offering the Korban Tamid with its Minchah and Nesech.
 - Cleaning and lighting the Menorah.
 - Offering the Ketores.
 - Reciting Birchas Kohanim.

5) He offered part of the Korban Musaf for Yom Kippur (the rest was offered in Segment #3). At this point he offered: • One bull as an Olah. • Seven sheep as an Olah.
6) He washed his hands and feet from a golden pitcher.
SEGMENT #2
1) The Kohen Gadol toiveled in the mikvah.
2) He put on the white garments.
3) He washed his hands and feet from a golden pitcher.
4) The Kohen Gadol's Bull and the first Viduy: On this day the Kohen Gadol would offer a bull as a Korban Chatas to atone for: his aveiros, those of his family, and those of his fellow Kohanim. • The bull was standing inside the Azarah, between the entrance of the Azarah and the Mizbeiach. • He placed his hands firmly on the bull's head and recited Viduy #1 asking for forgiveness for him and his family
5) The lottery: He made a lottery between two goats that were set aside for Yom Kippur. • One goat was for Azazel—to be thrown off a cliff in the desert • The other goat was for Hashem—to be offered as a korban. • After making the lottery, he tied a red string on the head of the goat that was "picked" for Azazel and a red string around the neck of the goat that was "picked" for Hashem
6) Viduy #2: • He went back to his bull • He placed his hands firmly on the bull's head and recited Viduy #2 asking for forgiveness for him, his family and his fellow Kohanim • He then Shechted the bull, collected its blood in a holy vessel, and handed the vessel to another Kohen to hold it until he would need it again • Meanwhile, this Kohen stirred the blood so that it wouldn't congeal
7) Offering the Ketores: • The Kohen Gadol took a coal shovel and removed some burning coals from the Mizbeiach Hachitzoin. He then placed the filled shovel on the floor. • He took a double handful of Ketores and put it into the Kaf (the spoon for offering the Ketores). • Carrying the shovel in his right hand, and the Kaf in his left hand, he walked through the Heichal and entered the Kodesh Hakadashim. • He put the shovel down between the poles of the Aron. • (In the second Beis Hamikdash, since there was no Aron, it was placed on the even Hashesiyah.) • He cupped his hands, and with his thumb, pushed the Ketores from the Kaf into his palms. • He then poured the Ketores over the coals that were in the shovel. • After the entire room was filled with smoke, he walked backwards slowly, with his face to the Aron, and left the Kodesh Hakadashim. • Back in the Heichal, he recited a short tefillah

8) Sprinkling the blood:

All the sprinklings were performed by the Kohen Gadol dipping his finger into the blood before each sprinkling; he was not allowed to do two sprinklings from the same finger-dip.

- He took the vessel that contained the blood of the bull from the one who was stirring it, went back into the Kodesh Hakadashim, and sprinkled from it eight times between the poles of the Aron.
- He left the Kodesh Hakadashim and put the vessel down onto a golden base in the Heichal.
- He then went into the Azarah and shechted the goat that had been 'picked' for Hashem. He collected its blood in another vessel and brought that vessel into the Kodesh Hakadashim.
- He sprinkled from this blood eight times between the poles of the Aron.
- He left the Kodesh Hakadashim and put the vessel down onto a golden base in the Heichal.
- He picked up the first vessel (which contained the blood of the bull), sprinkled some of the blood onto the Paroches eight times, and put the vessel down.
- He lifted the vessel which contained the goat's blood and sprinkled the Paroches eight times with the blood.
- Next, he mixed the two bloods together well.
- He then sprinkled from this mixture onto the four corners of the Mizbeiach Hazahav.
- He moved aside the coals and ashes that were on the Mizbeach Hazahav to reveal its golden surface.
- He then sprinkled from the mixture onto the surface seven times.
- He left the Heichal and poured the rest of the blood onto the base of the Mizbeiach Hachitzon.

9) Viduy #3 and sending the goat to Azazel:

- He went to the goat that was "picked" for Azazel.
- He placed his hands firmly on the goat's head and recited Viduy #3 asking for forgiveness for him, his family and for all of B'nei Yisrael.
- The goat was then sent to the desert by a Kohen who was prepared for this task. This Kohen is called an Ish Iti.
- (On the way, there were stations prepared where he was able to stop.)
- The Ish Iti walked with the goat until he reached the cliff. Once there, a flag was waved, passing along a signal that the goat had reached the cliff. This signal was passed along a chain of people until the message reached Yerushalayim.
- He divided the red string that was on the goat's head in half and tied one half to a rock and the other between the goat's horns.
- He then pushed the goat backwards, causing it to roll over the cliff and die.
- He then returned to the station closest to the cliff and stayed there until nightfall.

10) Burning the bull and goat:

- After sending off the goat with the Ish Iti, the Kohen Gadol returned to the bull and goat that he had previously shechted and whose blood he had sprinkled inside the Beis Hamikdash.
- He cut up the bull and goat and sent people to take the pieces to burn them outside the city.
- After sending off the pieces to be burnt and before he would read the Torah, the Kohen Gadol had to wait in the Azarah until he received the message that the goat for Azazel had reached the cliff.

11) Reading the Torah:

Once the message arrived that the goat for Azazel reached the cliff, the Kohen Gadol was allowed to go to the Ezras Nashim, in order to read from the Torah to all the people gathered there.

- He read two portions that speak about Yom Kippur: the first was from the Parshah of Acharei Mois and the second was the section of Parshas Emor beginning with the words: אַךְ בַּעֲשׂוֹר – “but on the tenth [day].
- He then rolled the Sefer Torah closed.
- He held the Sefer Torah to his chest, declaring, “More than what I have read for you is written here.”
- He recited the pessukim beginning with הִנָּעֲשׂוּ (from Parshas Pinchas) by heart.
- Afterwards he recited seven Brachos, asking Hashem for many things. Included was a plea to accept the service of the Kohanim and to save and protect B’nei Yisrael.

12) The Kohen Gadol washed his hands and feet from a golden pitcher.

SEGMENT #3

1) The Kohen Gadol toiveled in the mikvah.

2) He put on the golden garments.

3) He washed his hands and feet from a golden pitcher.

4) He offered another goat for a korban. (This goat was part of the Korban Musaf for Yom Kippur).

5) He offered a ram for a korban—on his own behalf.

6) He offered a ram for a korban—on behalf of B’nei Yisrael. (This ram was part of the Korban Musaf for Yom Kippur).

7) He offered up the fats and organs of both his bull, and the goat that was “picked” for Hashem.

8) He offered the afternoon Korban Tamid.

9) He washed his hands and feet from a golden pitcher.

SEGMENT #4

1) The Kohen Gadol toiveled in the mikvah.

2) He put on the white garments.

3) He washed his hands and feet from a golden pitcher.

4) He entered the Kodesh Hakadashim.

5) He removed the Kaf and the shovel (with the Ketores and coal).

6) He washed his hands and feet from a golden pitcher.

SEGMENT #5

1) The Kohen Gadol toiveled in the mikvah.

2) He put on the golden garments.

3) He washed his hands and feet from a golden pitcher.

4) He offered the daily afternoon Ketores on the Mizbeiach Hazahav.

5) He cleaned and lit the lamps of the Menorah.

6) He washed his hands and feet from a golden pitcher.

CHOOSING THE PARAH ADUMAH

There are many requirements for the cow to meet before it could be chosen as the Parah Adumah. Some of the requirements are:

- It had to be completely red. Even two black or white hairs growing from the same hair follicle would disqualify it.
- It could not have a mum (blemish).
- It had to be older than a calf, but young enough that its hair had not begun to darken.
- The ideal age was about 3 to 4 years old.
- It could not have done any kind of work.
- A yoke could never have been placed on its neck (even if it was not made to work with it on).

After meeting all the requirements, It was bought with the money from the Beis Hamikdash's treasury.

It was then brought to the Beis Hamikdash for the avodah of the Parah Adumah.

PREPARING FOR THE AVODAH (OF THE PARA ADUMAH)

Any Kohen qualified to do the avodah. It did not need to be performed by the Kohen Gadol.

- All the **Kohanim** involved in the avodah had to be purified in the mikvah before beginning the avodah.
- All the **Keilim** involved in the avodah had to be purified in the mikvah before beginning the avodah.
- The Kohen doing the main work:
- Must take strong precautions not to become tamei.
- Seven days before the burning of the Parah Adumah, he was separated from his family and fellow Kohanim.
- For those seven days, he slept in a room in the Beis Hamikdash called: The **בֵּית אֶבֶן**/The Stone House. Since stone does not become tomei, everything in this room was made of stone.
- On each of these seven days, except for the fourth day, he was sprinkled with the ashes from the previous Paros Adumos

THE AVODA	
Shechting the korban: This had to be done during the day.	- The Kohen brought the cow to Har Hamishchah. (He walked there on a special ramp that was designed in a way that any tumah underneath it would not pass through and make the Kohen tomei.) - On Har Hamichshah, a bonfire was built using very flammable woods. - The cow was tied with a reed and placed on top of the wood, with its head facing towards the Beis Hamikdash. - The Kohen stood facing the same direction. - The Kohen shechted the cow with his right hand and collected the blood with his left hand. (A non-Kohen was permitted to do the actual shechitah.) - With his right finger, the Kohen sprinkled the blood in the direction of the Kodesh Hakadashim seven times, dipping his finger into the blood before each sprinkling.
Burning the cow: This had to be done during the day.	The Kohen: - Lit the fire. - Waited until he saw that the fire became strong. - Then he made a bundle out of cedarwood and hyssop, and tied them with wool which was dyed red. - Once the majority of the cow was on fire, and before it became ashes, he threw this bundle into the cow's stomach.
The Ashes: The ashes were divided into 3 portions:	- Portion #1 went to the Kohanim to use whenever they needed to be purified. - Portion #2 was kept on Har Hamishchah for the rest of B'nei Yisrael to use when they needed to become purified - Portion #3 was set aside and kept in the Cheil (in the Beis Hamikdash) and not used.
All the people (including their clothing) and the Keilim involved in the avodah, from the shechitah through the gathering of the ashes, became tamei. This did not include those who arranged the bonfire, lit the fire, divided the ashes and put them away (they did not become tamei).	
SPRINKLING THE MEI CHATAS	
When a person or keili needed to be purified from Tumas Meis, the ashes were mixed with water to make a mixture called Mei Chatas. The Mei Chatas was then sprinkled on the person or keili.	- The sprinkling had to be done by day. - It could be performed by any male Jew who could do it with the kavanah to purify the person or keili, even by a child under bar mitzvah. - It had to be done with the kavanah to purify the person or keili. - This person would dip 3 stalks of hyssop into the water. - He would then shake the water off, onto the tamei person or keili. - Just one drop of water was enough to make a person/keili tahor. - The sprinkling had to be done on the 3rd and 7th day after the person/keili became tamei. (On the 7th day after the sprinkling, the person immersed in the mikvah and became completely tahor that evening.) - Anyone who came into contact with the Mei Chatas, besides one who touches it for the purpose of sprinkling, became tamei – including their clothing. (They would have to go to the mikvah and wait until evening to be able to enter the Beis Hamikdash, and eat kodshim.) - The part of the mixture that was already used to purify someone would no longer cause others to become tamei. (E.g. if it later dripped or splashed onto another person.)

Unit 187 Replacement Pages • Pages 274-275

This sheet starts from pg. 274 in the book. Make sure to first read the details on pg. 273.

The First Stage

The Kohen:	- Fills the earthenware container with the water. - He then shechts ONE bird over the container of water, and squeezes out the blood until it is visible inside the water
A hole is dug in the earth and the shechted bird is buried in the presence of the metzora.	
Then, the Kohen:	- Ties together the אֶרֶב וְצִנּוֹר and the אֶזְרָא into a bundle, using the שֵׁנִי תוֹלַעַת. - He takes the bundle together with the SECOND bird (in the same hand), and, holding the wing tips and tail close to the bundle, he dips them all into the water mixture. - Holding the bundle with the bird, he sprinkles the water mixture onto the back of the metzora's hand seven times. - He then sends off the bird outside the city walls.
After the above purification process:	- The Kohen shaves all the metzora's hair. - The metzora toivels in the mikvah. - The metzora's clothes are toiveled in the mikvah.
At this point, the metzora:	- May enter the city. - Is still an Av Hatuma. - Transfers his tuma only through touch. - Does not transfer his tumah by entering a house or by sitting or lying on something.

The Metzora must wait 7 days before going to the second stage.

The Second Stage

This stage is done on the seventh day after stage #1.

	- The Kohen shaves all the metzora's hair. - The metzora toivels in the mikvah. - The metzora's clothes are toiveled in the mikvah.
At this point, the metzora:	- No longer makes others tamei through touch. - Is like all other אִם טָבֵחַ—people who toveled in the mikvah, and would become tahor after nightfall. (However, even after nightfall, he would still be a Mechusar Kapparah)

The Third Stage (korbanos)

This takes place on the 8th day after stage #1, the day after the metzora toveled for the second time.

On this day the metzora has to offer 3 korbanos:

1. A male lamb, as an Asham.
2. A male lamb, as an Olah.
3. A female lamb, as a Chatas.
4. All the above lambs have to be less than a year old

After the Asham and Chatas are offered, he is completely tahor and allowed to eat kodshim and enter the Beis Hamikdash.

From section titled "Qualifications for a Person to Tovel" until end of unit

Qualifications for a Person to Tovel

In order for one to be qualified to tovel they must follow these guidelines:

1. No Chatzitzah – Separation

A chatzitzah is anything that will separate between the person's body and the water when toveling, such as dirt. For the tevilah to be kosher, there must be nothing separating between a person's body and the water.

2. Chafifah – Washing and Combing

In order to ensure that they do not tovel with a chatzitzah, people must prepare themselves by washing, checking their body, and combing their hair, to make sure that nothing will be separating between their body and the water.

Toveling

When toveling to remove tumah, a person says the brachah: "אֲשֶׁר קִדְּשָׁנוּ בְּמִצְוֹתָיו וְצִוָּנוּ עַל הַטְּבִילָה" -Who sanctified us with His mitzvos and commanded us regarding immersion."

The person's entire body, including every last strand of hair, must be submerged in the water. The entire body must be immersed at once, not one part at a time.

One must tovel with the kavanah that the immersion is for the purpose of purification, and not for other reasons, such as cooling off in the water. There are differing opinions on whether toveling with the wrong intentions invalidates the tevilah.

PRACTICE QUESTIONS

Practice Questions

These practice questions will give you **an idea** of the types of questions that will be on the Chidon tests. The actual questions will be different than the ones here. In order for this practice to be helpful, the questions must be answered **without** looking inside the book!

SUGGESTED STUDY TIPS

1. Learn four or five units at a time.
2. Review those units until you feel you know the information well.
3. Read the questions for all the corresponding units with your book closed, and write down your answers.
4. Mark yourself using the answer key.
5. If you get any questions wrong, try to figure out why. Look carefully at the wording of the question to see if you missed a crucial word. If you still can't figure out why, check the book.
6. Repeat all steps for the next set of units as you learn them.
