Welcome to the Chidon

Dear Chayol,

Welcome to the international Chidon Sefer Hamitzvos 5778!

The Chidon is a rewarding learning program, built on self-motivation. Earning a spot on the Shabbaton and becoming a contestant, or even a representative for the Chidon stage event, takes hard work, diligence, and an attitude of **יִגְעִתִּי וּמִצָּאתִי תִאֲמִין**—I will try hard and I will succeed!

The fact that you have signed up for this journey shows how much you care for Hashem's Torah and how determined you are to gain a better understanding of His mitzvos. The tremendous amount of knowledge you will acquire through this program will be a lifelong reward that no one can ever take away.

We are proud of your commitment and wish you much hatzlocha in this endeavor!

Tzivos Hashem Headquarters

The History of the Chidon

LIMUD HARAMBAM

In תשד"מ (1984), the Rebbe instituted the takona of limud harambam—that every man, woman, and child learn Rambam daily. Three cycles were established: learn three perakim a day over the course of one year, learn one perek a day over the course of three years, or learn the mitzvos in Sefer Hamitzvos, which correspond to the three-perakim cycle. Through these cycles, a person would learn all 613 mitzvos—כל התורה כולה.

INTERNATIONAL CHIDON

In תשנ"ה (1995), a group of principals joined with Tzivos Hashem to start the Chidon. The goal of the Chidon is to give every chayol the tools and motivation they need to fulfill the Rebbe's takona, by encouraging them to learn Sefer Hamitzvos in depth.

As the Chidon expanded and more schools joined, the program began following the Living Lessons Yahadus curriculum, sponsored in loving memory of Mrs. Sara Rohr, aleha hashalom. The curriculum divides the 613 mitzvos into five books, with children in grades fourth through eighth learning one book per year.

Below is a chart that outlines which mitzvos each grade will be learning over the year, and which Yahadus book you will be using to study. At the end of five years, you will have covered all 613 mitzvos in depth.

CHIDON
OVERVIEW

Qualifying for Chidon

To enter the Chidon, there are three qualifying tests. If you pass all three tests, you may qualify—depending on your test scores and your school’s attendance policy—to join the Crown Heights Shabbaton, represent your school on the Chidon stage, and compete for the gold, silver, and bronze trophies in the Trophy Final.

THE TESTS

The chart below outlines the testing schedule, and which units you’ll need to learn for each test.

Test #	Date	4th Grade
Test #1	Tuesday, Chof Hey Cheshvon (November 14)	Units 1-16
Test #2	Tuesday, Ches Teves (December 26)	Units 17-30
Test #3	Monday, Chof Shvat (February 5)	Units 31-45

There are two parts to each of the three qualifying tests. Parts one and two are described below, so you’ll know what kinds of questions to expect, come testing day.

Part one

- This part is a thorough, straightforward exam on the information you are responsible for knowing. It tests you on how well you remember the information you’ve learned.
- If you score at least a 70% average on part one of all three tests, you may be eligible to participate in the Shabbaton, depending on your school’s attendance policy. You do not need to pass part two to be eligible for the Shabbaton.
- During the Chidon Shabbaton, all qualifying chayolim will take the Chidon final (this too is a straightforward, yet thorough, exam on the entire Yahadus book). Chayolim who score at least 70% on the Chidon final will be awarded the Chidon plaque. Chayolim who score at least 85% on the Chidon final will be awarded the Chidon plaque and the Chidon medal.

Part two

- This part tests you on how well you know and understand the information. Some questions will “scramble” different details, challenging you to remember them correctly, even when they’re in a different context. You will also be challenged to connect ideas from different units, or sections within the same unit, and apply your understanding of concepts, by answering questions about new that aren’t directly discussed in the book. Make sure to study carefully.
- This part asks challenging questions, formatted in the same style as the questions in the Chidon final.
- If you score at least a 70% average on part one of all three tests, and at least a 70% average on part two of all three tests, a new average will be calculated by combining all your scores from both parts of all three tests (six scores in total). This new

average will become your new score. If in this new score, you score the highest in your grade, at your school, you may be eligible to represent your school on stage at the Chidon event, and compete for the gold, silver, and bronze trophies by taking the “Trophy Final”—depending on your school’s attendance policy.

The “Trophy Final” is a very challenging test on the whole Yahadus book, taken by all school representatives, during the Chidon Shabbaton.

The climax of the Chidon is when the Trophy Final winners are announced. The chayolim who earn the highest marks within each grade on the “Trophy Final” are awarded the Chidon trophies. First, second, and third place winners will receive beautiful gold, silver, and bronze trophies, respectively.

As with the Shabbaton, your school is responsible for selecting the representative for each grade (the chayol who has the highest score in his or her grade).

Tiebreakers: Included on your third test will be “tiebreaker” questions. These questions are only marked in the case of a tie. In the case that two chayolim in your grade tie as the highest-scoring in your school, these questions will be marked and taken into account, to determine the winner.

Chidon Shabbaton

The Chidon Shabbaton takes place in Crown Heights, beginning on a Thursday. The Shabbaton is an incredible four-day program, packed with amazing trips, delicious meals, fun activities, and exciting competitions. Chayolim go to the Ohel, daven in 770, and participate in inspiring farbrengens. The Shabbaton culminates in the grand Chidon event on Sunday.

DATES:

- Girls’ Shabbaton: Thursday, Chof Alef Adar (March 8) – Sunday, Chof Daled Adar (March 11)
- Boys’ Shabbaton: Thursday, Chof Ches Adar (March 15) – Sunday, Beis Nissan (March 18)

REGISTRATION DEADLINE

Shabbaton Registration opens on Tuesday, Chof Ches Shvat (February 13). Registration and payment information must be submitted before Sunday, Gimmel Adar (February 18) at 11:59 p.m. We apologize in advance that there will be no exceptions.

As previously mentioned, you do not need to pass part two of the tests to be eligible for the Shabbaton. However, your school will make the final decision about the number of children that are going to the Chidon Shabbaton.

THE ALEF-BEIS OF CHIDON

Did you ever stop to think about how studying for the Chidon is like learning the Alef-Beis?

ALEF-BEIS

Learn each letter on its own.

Circle every zayin.

CHIDON TEST QUESTIONS

Remember mitzva basics.

Is the Beis Din allowed to punish on Shabbos?

Emphasize letters that look the same.

Is this a reish or a daled?

Analyze similarities in mitzvos.

Which of the following materials are shaatnez?

- Wool and cotton
- Camel's wool and linen

Compare different letters.

What is the difference between a vov and a zayin?

Compare and contrast mitzvos.

What is the difference between kilayim of the ground and of trees?

Understand the different pieces that make up words.

The word "vayomer" is made from three parts: "and," "he," and "said."

Apply different information to new concepts.

Correct or incorrect: the afternoon korban tamid was usually offered on the Mizbeach nine and a half hours after sunrise.

TO FIND THE ANSWER, APPLY TWO PIECES OF INFO:

1. The afternoon korban tamid was usually sheched eight and a half hours into the day.
2. Both temidin were offered one hour after being sheched.

What Do I Need to Know?

You Are Responsible to Know:	You Are Not Responsible to Know:
- For each mitzvah (see Figure 1 below): - Mitzvah names - Translation of mitzvah name—the words directly beneath the name in Hebrew - Synopsis of the mitzvah—the words directly above the icons - To whom it applies - Where it applies - When it applies - Punishments - Details - Relevant terms in Hebrew - Changes to the book, inside this Chidon study guide	- Unit cover pages - Introduction to the mitzvos (the words above the mitzvah boxes) - Mitzvah numbers - The makor (source) - Mitzvah messages - Selected halachos - Extend your knowledge - All sidebars, including: - Did you know? - Stories - Biographies - Pearls of wisdom - Our sages say - History - Discovery - What else comes from this? - Live the mitzvah

STUDY GUIDE

CHIDON OVERVIEW

MITZVAH NAMES

You are required to be familiar with the names of the mitzvot in Hebrew. You do not need to know the names of mitzvot by heart, but you do need to be able to recognize them.

All tests and quizzes will refer to the names of the mitzvot in Hebrew. Mitzvah names will not be translated.

TRANSLATION OF MITZVAH NAMES

You are required to know the English translation of the mitzvah names—the words directly beneath the name in Hebrew.

SYNOPSIS OF THE MITZVAH

You are required to know the synopsis of the mitzvah—the words directly above the icons.

ICONS

To whom it applies; where it applies; when it applies; punishments

You are required to know the icons for each mitzvah. The icons are the circles at the bottom or the side of the mitzvah boxes, with the information regarding whom, where, and when the mitzvah applies, as well as the applicable punishment for transgressing the mitzvah.

You need to be very familiar with the icons of each mitzvah on its own, as there will be many questions asking about these details. You need to train yourself to identify each mitzvah individually, and not just as part of a unit.

DETAILS

You are required to know all the details of each unit.

Pay special attention to which details apply to which mitzvah, because mitzvot are grouped together in units, and it can be hard to identify which details are for which mitzvah. (As you're studying, try asking yourself questions about the "who, what, when, where, and how?")

SELECTED HALACHOS; WHAT ELSE COMES FROM THIS MITZVAH?

Even though you are not responsible for these sections, it is strongly recommended that you learn them, as they contain many practical halachos that give a better understanding of the mitzvah.

RELEVANT TERMS

You are required to know all Hebrew terms and concepts that appear in the sections of the book that you are responsible for. To help with translations, Chidon Headquarters has put together a glossary of Hebrew terms for each book, found in this Chidon Learning Guide. However, the glossary does not list all the words that the you are responsible for knowing. It is your responsibility to make sure you know and understand all Hebrew terms and concepts—including those not listed in the glossary.

THIS CHIDON LEARNING GUIDE

You are required to read this learning guide. You are responsible to know all the information outlined in the guide.

Changes have been made to the Yahadus books since they were printed, and you are responsible for knowing all of the changes listed in this learning guide.

The section with the book changes also lists specific parts of the book that you are not responsible for knowing, and includes replacements for some sections of the books—which you must know. This guide also contains many other important resources, such as glossaries of key terms, spreadsheets for you to fill out the fundamentals of each mitzvah, and practice questions (complete with answer keys).

MYSHLIACH CLASSES

Every year, MyShliach offers online classes covering Chidon material, for shluchim's children in remote areas. These kids don't have access to a Lubavitch education, and these online classes make it possible for them to join in the International Chidon Sefer Hamitzvos competition. This year, MyShliach is happy to open these classes to any participating chayol.

Registration

To register for the online classes, please ask your parents to visit MyShliach.com/ChidonClasses. Once your parents have entered your information, scheduling and teacher information will be made available to your parents.

Schedule

The classes take place weekly at 8:00-9:00pm, accommodating time zones across the USA. Each grade's class takes place on a different day. There are separate classes offered for boys and girls.

Material

Two units are covered during each class. Every class is recorded. A spreadsheet of links to the recordings is made available upon registration. The classes are scheduled to ensure you finish the material required before the date of each test.

Studying

The class is intended to teach you the essence of each unit. In order for you to master the material, you also need to review units on your own during the week, as well as study additional details that may have been missed out during the class.

PREPARING FOR PART TWO

The questions that will be asked on part two of the qualifying tests, and on the Trophy Final, are “thinking” questions, and require you to analyze and apply the information you've learned to new situations that aren't directly discussed in the book. This may be different from what you are used to, so it is important that you prepare properly.

Many questions will involve information about multiple mitzvos or even multiple units. To prepare, it is strongly recommended that you train yourself to see similarities

CHIDON OVERVIEW

in mitzvos and halachos, and make lists grouping similar mitzvos or halachos together (for example: which mitzvos have the punishment of malkus, apply only in Eretz Yisroel, are about avoda zora, etc.). Also, try to find situations where a person fulfills (or transgresses) more than one mitzvah.

In general, this includes three types of questions.

1. Questions on multiple mitzvos or halachos

Examples:

- How many mitzvos has one fulfilled (or transgressed) for doing such-and-such an action?
- For which of the following would one not receive malkus?

2. Multiple-choice questions

All of the possible answers listed are from different units throughout the Yahu-dus book. You'll have to think about each answer and decide which one applies to the question being asked. Try it out, and see if you can get the right answer!

Below the question, you'll see a list of units that explains where each possible answer came from. Use this as a tool when you're checking your answer.

Examples:

- The מִצְוָה of לִיָּהֲדוּ of מִצְוָה:
 - a) Is to give up one's life and not worship idols
 - b) Is a מִצְוָה שֶׁבְּמַחֲשָׁבָה
 - c) Is a מִצְוָה that must actually be felt in the physical heart
 - d) All of the above

In this case, option A is from unit 4, option B is from unit 1, and option C is from unit 2

3. Questions that require you to apply multiple halachos you've learned, to determine the correct answer.

Example:

- Correct or incorrect: The laws of making an image of the sun are stricter than the laws of making an image of a person.

In this case you have to combine two separate halachos to come to the answer.

- The first halacha is that one may not make an image of the sun in three or even in two dimensions
- The second halacha is that one may not make an image of a person in three dimensions, but one may make an image of a person in two dimensions

By combining the two halachos, it becomes clear that the laws of making an image of the sun are stricter than the laws of making an image of a person.

Wisdom from Mechanchim

Set aside a designated time and place to review every day. When units are complicated, ask an adult to help explain them to you. Finally, remind yourself how proud you're making the Rebbe.

Mrs. Chana Esther Altein, parent
Beis Chaya Mushka, Toronto

Record yourself retelling the information so that when you need a break from reading, you can listen instead. And it's best to let some time pass before testing yourself. That way you can see how much information you truly remember.

Mrs. Esther Wilhelm,
Chidon Coordinator
Beis Rivkah,
Crown Heights

The purpose of the Chidon is to fulfill the Rebbe's takana of learning Rambam. Ultimately, the information that you learn is more valuable than a medal.

Rabbi Yossi Rosenblum, Principal

Never give up! There have been boys in my class who felt like they didn't want to continue after they saw their first test marks. When they realized they still had a chance of winning (because it's the final average that matters), they were able to work harder enough to participate in the Shabbaton—and even win medals!

Book Changes

2011 2016	14	Title: "Basis For All Mitzvos"	Section was rewritten	We are commanded to believe that Hashem is the G-d Who creates and rules the world. We are also commanded to not believe that there is any other god besides Him. Every mitzvah in the Torah comes from the mitzvah of believing in Hashem. How is this so? If you believe that Hashem is the G-d over the world, then you must follow His rules and keep His commandments. Part of the mitzvah of emunah is believing that Hashem is in charge of the world, and we have to keep all of His laws—the mitzvos. לֵיחַדּוּ: There is also a mitzvah to believe that there is only one G-d. This does not only mean that there are no gods other than Hashem; it also means that Hashem Himself is One and does not have different parts.

Practice Questions

These practice questions will give you **an idea** of the types of questions that will be on the Chidon tests. The actual questions will be different than the ones here. In order for this practice to be helpful, the questions must be answered **without** looking inside the book!

SUGGESTED STUDY TIPS

1. Learn four or five units at a time.
2. Review those units until you feel you know the information well.
3. Read the questions for all the corresponding units with your book closed, and write down your answers.
4. Mark yourself using the answer key.
5. If you get any questions wrong, try to figure out why. Look carefully at the wording of the question to see if you missed a crucial word. If you still can't figure out why, check the book.
6. Repeat all steps for the next set of units as you learn them.
